funded by the Erasmus+
Programme and will last 24
months.

Aims

The project aims **to identify and share best practices in the field of adult education in order to stimulate the addressed target groups their propension to entrepreneurship and the development of their digital literacy**; in fact, MECOS RNET intends to facilitate the access to quality education on those fields to people living in marginal contexts, by providing them the opportunity to start their business idea and contributing to their local communities' economic revival. During the implementation of the project, the eco-conscious vision of local development pathways will be central.

MecoS RNet

PROJECT NUMBER: 2021-1-BG01-KA220-ADU-000033670

The project focuses on promoting **self-employment** and **entrepreneurship** among two main targets: **Youth**, composed by people aged 18-35, and **Silver Age**, dealing with people aged over 50.

Both the categories are assumed as priority since they are particularly vulnerable, especially in rural areas. The project will also involve people with **disabilities**.

Consortium

MecoS RNet consortium is composed by highly specialised public bodies and NGO located in Bulgaria, Ukraine, Poland, Greece and Italy. Specifically, **National Association of Municipal Clerks Bulgaria**, **Kyiv Business School Ukraine**, **Wyższa Szkoła Turystyki i Ekologii Poland**, **INCLUDE – Interdisciplinary Network of Special and Intercultural Education Greece** e **CEIPES – Centro Internazionale per la Promozione dell’Educazione e lo Sviluppo Italy**, are going to cooperate to achieve the above mentioned objectives.

MECOS RNET will produce three main results, all of them focused on the production of an innovative perspective on economic and social development, as well as on the processing of educational pathways which are effective for the obtainment of essential key-competencies to start working as a self-employed or entrepreneur. In particular, the consortium will:

- **Prepare the Business Education for Entrepreneurs training course;**
- **Create the Entrepreneurship for All Massive Online Open Course (MOOC);**
- **Provide the International Training and Consulting Centre specialized platform**, which will continue to operate even after the project life-cycle and whose functioning will help supporting the mini-ecosystems raised during the implementation of the project.
